

## Catering Support

We employ experienced food specialists to provide healthy and nutritious meals to keep your workforce at their best.

Each day, we serve several thousand meals in locations all over the world. Our experienced professional menu planners and cooks work together to create meals that offer a balanced diet and enough choice to satisfy any taste or cultural requirement.

We have well-established supply chains and local contacts to ensure you receive the freshest, high quality food wherever you are in the world. Even when you are operating in the most remote areas, PDL Toll's established air, sea and road networks will ensure your provisions arrive promptly and reliably - every time.

PDL Toll has the proven experience of having met the provisioning needs of many of the world's navies for many years. When a naval vessel pulls into port, we have their order fresh and ready to be loaded.

No matter how large or small, how simple or complex your needs are - PDL Toll delivers.

Contact us to discuss your food services requirements.
