

## Health Services

The most important part of your operations are your people. We provide a full range of services to care for their medical and healthcare needs.

PDL Toll has the expertise, experience and facilities to ensure your people receive the highest standard of health services no matter where they are. We provide healthcare expertise and solutions to meet the challenges of any environment, location or situation.

We can provide a range of healthcare services customised to the specific requirements of your operations. Whether you require comprehensive health services or a discrete selection of services, PDL Toll will tailor a solution to meet your needs.

We currently provide state-of-the-art health services to the Australian Military and Federal Police in the Solomon Islands and Timor-Leste. These services include a complete range of medical and environmental healthcare services.

Our range of health care services includes:

- Full surgical capability and facilities
- Mobile units for outpatient clinics, low-risk day surgery and dental procedures
- Intensive care beds
- Radiography
- Pathology
- Pharmaceutical
- Environmental health services
- Domestic and International Aero Medical Evacuation
- Medical staff who are all fully accredited to Australian standards
